

# The Ritual of the Calling of an Engineer

Instructions for Guest Engineers – Camp #11 London, Ontario

In Canada, Iron rings are worn by Obligated Engineers as a symbol of the obligation they have taken.

You have been invited to attend as a guest to 'ring' a 'young' engineer after they take the Obligation: you will place a ring on their finger and wish them success.

Thank you for helping make this a special day.

The following is to be filled out and brought with you to gain access to the ceremony:

**Your Name:** \_\_\_\_\_

**Name of the Candidate  
you are 'ringing':** \_\_\_\_\_

**Obligation Number:  
(if available):** \_\_\_\_\_

**Year of Obligation:** \_\_\_\_\_

**Camp # or city where  
you took the Obligation:** \_\_\_\_\_

**Signature:** \_\_\_\_\_
